James Murphy

jamesivdeveloper@gmail.com | (618)409-8138 | Nashville, TN
https://www.linkedin.com/in/jamesivdeveloper/ | https://github.com/jamesIVdeveloper

Front-end web developer, with experience in back-end, as well. Recently finished a full-stack web development program through Vanderbilt University. Team player with strong leadership and communication skills. Ability to adjust and learn on the job to always keep up to date with the best technologies.

Technical Skills

Frontend: HTML5, CSS, JQuery, Javascript, Bootstrap, AJAX, SASS,
Backend: MySQL, MongoDB, Express, ReactJS, Node, Handlebars

Projects

It Was the 90's | https://github.com/Jasonwesleysmith/it-was-the-90s | https://itwasthe90s.herokuapp.com/

- 90's movie review forum for users to review and comment on posts
- Full-stack application that allows a user to express their opinion for any 90's movie. I took on the views and layout portion, while also tackling connecting front-end to back-end
- Tools/Languages: Express, Handlebars, MySQL, JavaScript, CSS

Park Finder | https://github.com/jamesIVdeveloper/national-park | https://jamesivdeveloper.github.io/national-park/

- Park Finder that returns state parks based on state selected and number
- Allows the user to quickly and easily find parks to checkout in any state provided by a National Park Service API
- Tools/Languages: HTML, CSS, JavaScript, jQuery

Game Hub | https://github.com/jamesIVdeveloper/game-hub | https://jamesivdeveloper.github.io/game-hub/

- PC game finder that returns buy options based on title and price range
- Game search application that uses Cheap Shark's API to find results
- Tools/Languages: HTML, CSS, JavaScript, jQuery

Experience

Amazon   July 2021 - Nov 2021
Amnesty Floor Monitor
                          Mt. Juliet, TN

- Maintained floor health, as measured by obstructions and Andons resolved, add-backs completed, and overall assistance to floor managers and associates
- Frequently top performing AFM, as measured by number of blocked/unblocked andons and obstructions resolved
- Led team of Amazon Associates during pod transfers, and outperformed expected inbound/outbound truck loads (expected 5 and completed 8-10 per night)

- Assistant QB where I led the AFMs during shift when QB was unavailable

Gold's Gym   May 2018 - Sep 2020
Personal Trainer
Greer, SC

- Increased recurring gym revenue, as measured by signing up new members/clients, and growing class attendance (doubled class attendance for several classes)
- Accrued dozens of client success stories, based on goals set, by encouraging them and working with them as a team to personalize their approach to fitness and lifestyle

Education

Vanderbilt University, Nashville, TN
Present
Certificate in Web Development

Murray State University, Murray, KY
May, 2017
Bachelor of Science (Exercise Science/Wellness)
